

**NORTHERN
MOSAIC
NETWORK**

Are you interested in supporting people across the NWT in learning more about 2SLGBTQIPA+ communities?

Are you a member of the 2SLGBTQIPA+ and allied community?

Do you want to become a facilitator for the Northern Mosaic Network's Workshop & Education program?

Are you available from July 1st to July 3rd to come to Yellowknife to participate in an intensive Train the Trainer weekend?

Northern Mosaic Network spent the last year developing a brand-new suite of workshops and trainings that we hope will be facilitated all over the NWT. There are workshops specifically for sectors within our society (ex. healthcare, the LGBTQIPA+ identities, and workshops about two spirit, Indigiqueer and queer and trans Indigenous people (2SIQTIP) and identities. These materials were developed with 2SLGBTQIPA+ and Indigenous staff, community consultation and research! As we shift to de-centralizing our work and truly being territorially focused, we are aiming to hire workshop facilitators in every NWT region on an as-needed basis.

For our first cohort of facilitators, we're hoping to bring them together for a Train the Trainer weekend in Yellowknife over the summer.

What you'll bring:

- your lived experience,
- your passion for the 2SLGBTQIPA+ community, and
- your capacity to facilitate

What we'll give you:

- two and a half days of training to help you learn the tools and techniques to be successful in facilitation;
- workshop facilitation materials and guides; and
- required reading lists to help you gain a more in-depth understanding of 2SLGBTQIPA+ communities and realities.

If you're interested in applying, please apply [via the Google form online here](#) or call Jacq, our Workshop & Resource Development Coordinator at 306-522-0004.

In order to be eligible to participate in the June Train the Trainer weekend, please apply by **June 1st 2022**. Interviews will take place between June 2nd and June 10th 2022 over the phone or via Zoom.

A member of the NMN staff will attend these pilot sessions to ensure that content is being taught properly, and appropriately. If these pilot sessions are successful, congratulations, you are now a Northern Mosaic Network facilitator!

Your name will be added to a list of facilitators for the workshops that you've successfully piloted. When NMN receives a request for that workshop in your region, you'll be contacted about your availability to teach the workshop, and will be paid for your facilitation.

I have some more questions before I decide!

You can get in touch with Jacq Brasseur, our Workshop & Resource Development Coordinator at workshops@northernmosaic.net.
